

May 2024

Dear Parents / Carers

I'm writing to inform you that St Andrew's Class will be taking part in the **Key Stage 2 Young Leaders Award** this year. We're really excited to be involved in this programme. For more information visit [www.abyyt.com](http://www.abyyt.com).

The Young Leaders Award aims to equip young people to 'be *the change they want to see*' in their local communities, and through a number of interactive lessons and practical challenges our pupils will be involved in serving their community and making a difference.

We will be starting the programme this half term and look forward to all that our pupils will learn and achieve. There may be opportunities for parents and family members to get involved in the **community action projects** that will take place later in the year, and we will be in touch with more details nearer the time. **Pupils will also take part in small challenges at home to help their family or neighbours. We ask that you ensure that you provide any relevant supervision for these challenges.** Children are encouraged to choose a range of tasks but are certainly not expected to complete all of them. Please choose those which you feel are suitable and manageable for you as a family. If you are able to take pictures that the children can stick in their scrap books, these can be emailed into school.

At the end of the award each student will receive a certificate and we will host an awards ceremony. More details about this will follow.

Thank you in anticipation for your support with this exciting project.

Yours sincerely  
Rebecca Hedley
