

We have had a fantastic first few days in St George Class and we have enjoyed working, learning and playing together. We have explored the different areas of the school and have visited Mrs Critchlow in her office and found out where all the other children do their learning in school.

This half term our topic is 'all about me' and finding out about our village and surrounding area. We are going to be reading lots of different stories and we will base our learning around these books. We have been thinking about how we look and how we are all different and next week we are going to paint self-portraits for our classroom display.

We are planning a walk around Longhoughton so we can identify familiar places on the map and hopefully we will be able to also visit the church and meet Reverend Alison. We are also excited to get started with our PE lessons where we will be working with Newcastle United and also have the chance to do some soft play activities in the hall. We have planned some cooking activities too and can't wait to make some biscuits and decorate them to look like our faces!

Every day we have to vote for our favourite story to read at home time and we are already very excited each morning coming into the classroom to find out which stories we can choose from. This helps with our counting as we count up the number of pegs which shows how many votes each story has, and we can then find out which one has the most.

We are looking forward to spending as much time outside and we are very lucky that we have waterproofs and wellies in school so that we can use them to get outside and experience the ever-changing Northumbrian weather!
